Kungle Road Bridge over Branch Creek 3 Closed Effective Immediately

A recent inspection of the Kungle Road Bridge revealed significant structural deficiencies. Due to these deficiencies, the city of Norton has been advised the safest course of action is to immediately close the Kungle road at the bridge. Local traffic will be maintained up to the bridge, but Kungle Road will not allow thru traffic, including pedestrian. The area affected includes Kungle Road from Vanderhoof to Eastern Road. A detour will be posted, we encourage individuals to use alternative Routes. Suggested alternative Routes include Cleveland-Massillon and/or Taylor Road.
