SHOP-WITH-A-COP

The Norton Shop with a Cop program is run entirely in-house by our police officers and fire department personnel along with assistance from city employees, community volunteers, and generous contributions from Grace Church and Dee's Diner. The structure of the program allows for flexibility and for more local people to be directly involved in the event.

The Norton Shop with a Cop program enables selected children within the Norton Schools community to spend a fun-filled day of holiday shopping with uniformed officers from the Norton Police Department. Children are selected for the program due to economic and other crisis factors. Selected children will enjoy breakfast with officers and firefighters in the holiday beauty of Grace Church, then parade to the Target store in a procession of emergency vehicles using lights and sirens. The parade will move south along Cleveland-Massillon Road, west along Greenwich Road, then north on Medina Line Road into the Target parking lot. After shopping, kids and officers will return to the Norton Grace Church for lunch and gift wrapping.

Our department is selling raffle tickets to raise the monies needed to fund these gifts. Each child is provided with Target gift cards to purchase wants and needs for the holiday season. Only 3000 tickets are available so act quickly for your chance at the grand prize, a 50" Smart TV!

Your support in the form of a donation or raffle ticket purchase would be greatly appreciated. If you would like to be part of this magical tradition or have questions, please contact me at 330-706-0084 ext #129.

Thank you and Happy Holidays,
Detective Kevin Starling
