

Natural Gas Aggregation

Pricing Options

Eligible residents and small businesses are automatically enrolled in NOPEC's Standard Program Price option. This makes it easy and convenient to take advantage of the benefits of your community's aggregation program. NOPEC also offers a Monthly Variable Price and 12- or 24-Month Fixed Term Prices. To enroll in any of these options, call NOPEC's **24/7 Customer Care Center at 855-667-3201**.

Standard Program Price

A competitive rate that varies and is based on favorable wholesale purchase prices available in the market.

Monthly Variable Price

A guaranteed \$0.02/Mcf less than the utility's monthly Standard Choice Offer (SCO) price. Enrollment is limited and subject to availability.

Fixed Term Prices

Choose a 12-month or 24-month fixed term price. This means your supply rate stays the same the entire 12 or 24-month term.
