About Us

Faithful Servants Mission, Inc. is a 501(c)(3) nonprofit providing free urgent care to the uninsured and working poor. Endorsed by major health systems in Summit and Medina Counties, we are supported by community foundations, hospitals, churches, businesses, and individuals.

Founded in 2012 in Tallmadge, Ohio, our mission is to deliver compassionate, Christ-centered care to those without access to standard healthcare. Licensed physicians and clinicians volunteer their time, and services are offered regardless of age, condition, or faith. Pastoral counseling is available upon request.

We operate without government funding and rely entirely on volunteers. We welcome churches, organizations, and individuals to partner with us in meeting the physical and spiritual needs of our communities.

Our Wadsworth clinic, located at 251 Leatherman Rd., currently offers evening care Tuesdays and Thursdays from 5:30–8:30 p.m., with plans to expand to 5–7 days a week as volunteer capacity grows.

I am so blessed to have been seen tonight by a physician at Faithful Servants. What a blessing to people who are in between insurance and need medical treatment. Thank you so much!!

Crystal

You guys are wonderful. You have helped me several times and my daughter as well. What a blessing you are!

Jenny

I am continually impressed by the heart and caliber of staff at Faithful Servants.
